A Quick Look at Longmont

Founded by railroad investors from Chicago, Il, in 1870, Longmont was named in honor of Longs Peak, a 14,259-foot peak visible from anywhere in the city. Here are some numbers behind Longmont today:

90,219+	residents
4,979	feet above sea level
1,500	acres of parks
300	days of sunshine on average each year
165+	restaurants
76	churches
34	parks
29	ski areas within a day's drive
6	dog parks
4	public swimming pools
3	public golf courses

Utility Billing

Located at 350 Kimbark Street | 303-651-8664

Connecting Your Service

If you are a new residential customer and you own or are purchasing your home, you can connect by phone or online. To connect online, go to Utility Billing from our home page and click on “Start Utility Service.” To connect by phone, simply call 8 am – 5 pm, Monday through Friday. Regardless of which way you choose, we will ask for personal information, such as place of employment, home and business phone numbers, driver’s license and Social Security numbers, nearest relative and a local reference. No deposit is required; just remember to allow 2 business days by phone or 3 business days online prior to the time you want service connected in your name. A \$19 connect fee will show on your bill.

If you are a new residential customer and DO NOT own or are NOT purchasing your home, you will need to pay a \$100 electric deposit and provide personal information such as place of employment, home and business phone numbers, driver’s license and Social Security numbers, nearest relative and a local reference. A satisfactory letter of credit from a prior electric company can be used in lieu of a deposit. A deposit can also be paid by using a debit or credit card. A \$19 connect fee will show on your bill.

Longmont Power & Communications meter readers read about 67,000 electric and water meters every month. Various obstructions, including locked gates, aggressive pets, or pets who try to escape fenced areas when the gate is open, can create barriers that keep readers from getting close enough to obtain an accurate reading. City Municipal Code requires all customers to provide safe access to City metering equipment; however, there is an option for customers who don’t want a meter reader to enter their yard every month. For a minimal, one-time cost (that can be added to your utility bill with a monthly payment plan), we can install a meter that can be read remotely. Please call 303-651-8386 to learn more or to schedule an appointment for installation.

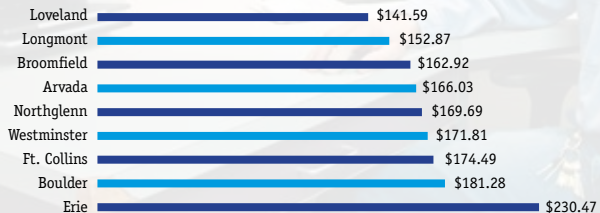

Residential Electric: Energy Only Rate		\$10.40 per month service fee
	first 750 kwh	\$.0755 per kwh
	second 750 kwh	\$.0823 per kwh
	over 1500+ kwh	\$.0930 per kwh
Residential Electric: Energy & Demand Rate		\$15.40 per month service fee
	all kwh use	\$.0431 per kwh
	demand rate	\$5.75 per kw of maximum electric demand each month
Single Family/Duplex Water Volume Charges per gallon		
Monthly Level Usage (gallons)	Inside City Limits	Outside City Limits
0-2,900 Level 1	\$0.001890	\$0.00284
3,000-6,900 Level 2	\$0.002360	\$0.00354
7,000-20,900 Level 3	\$0.003070	\$0.00461
21,000-40,900 Level 4	\$0.003780	\$0.00567
40,900+ Level 5	\$0.004720	\$0.00708

	48 gallon container	\$14.14 per month
		\$9.65 per month
Charge per unit at apartment complexes with city service		\$9.65 per month
Storm Drainage User Charge		\$13.05 per month
Parks & Greenway Maintenance Fee		\$4.00 per month

Longmont Power & Communications

Longmont 2014 average total monthly utility bill compared to 2013 average utility bills of other cities

In 1912 LPC started as a nonprofit municipal utility with local staff, governed by the elected mayor and city council. This means that we exist solely for the benefit of our customers, putting your needs first.

Today, our rates are among the lowest in the state and our service is nationally recognized as best of class for reliability, safety, and system improvements. We also offer efficiency programs that help you save money, and service options that allow you to determine the amount of renewable energy you prefer to consume.

In November 2013, Longmont's voters approved funding for the full build-out of the City's fiber to the premise network. As a true gigabit city, we are and will be positioned to be a leader in digital communications and a global information hub. We would like to thank Longmont for supporting this move toward a future filled with progress and opportunity. We will promptly notify the community as actual sign up and connection capabilities are available. Community members are also encouraged to search "Longmont Broadband" on the Internet and click on the "Broadband Services" link on the left side of our page and then on the "email sign up" link on the left side of the page to register for email updates on service developments.

Human Resource Services

Located at 350 Kimbark Street | 303-651-8609

Looking for something more than just a job?

Join us and:

- Use your skills in a career that makes a real difference for people
- Enjoy our competitive compensation and comprehensive package of employee benefits
- Work for an organization that is focused on public service
- See the results of your work right here in our community, whether it is enhancing the quality of life for all, providing a safe community and infrastructure, or helping our economy thrive
- Belong as part of an organization committed to diversity; the City of Longmont is an Equal Opportunity Employer
- Build a great community here in Longmont!

Take the next step and join our workforce - check out the Jobs link on our homepage: www.longmontcolorado.gov

Housing & Community Investment

Located at 350 Kimbark Street | 303-651-8444

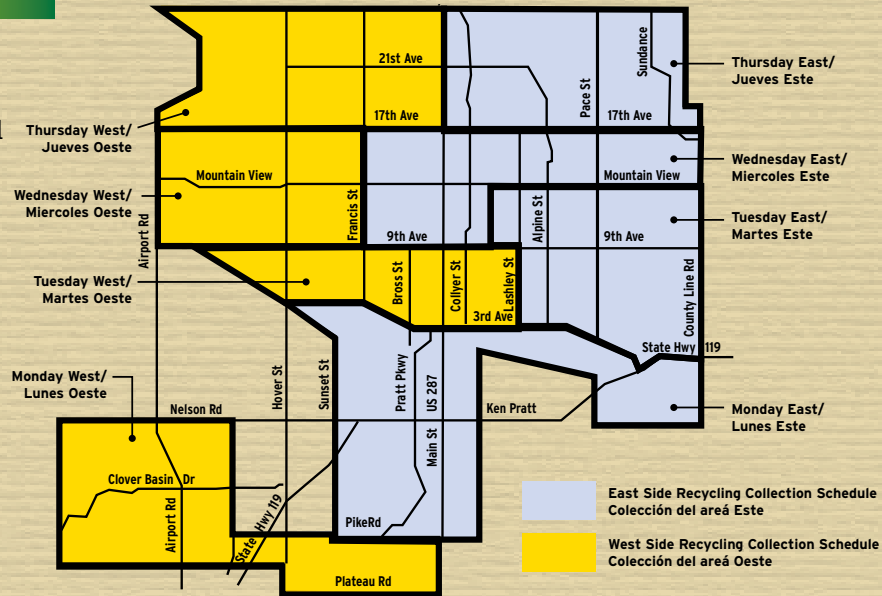

Identifies the housing, community and economic development needs of Longmont's low and moderate income residents, and funds programs that help meet those needs. Some of the programs include:

- Down Payment Assistance for first-time homebuyers
- General home repairs
- Accessibility improvements
- Emergency home repairs
- Rehab/construction financing for affordable owner/rental housing
- Free Internet access
- Administer the City's federal Community Development Block Grant and HOME grants

Trash & Recycling

- Containers should be placed a minimum of 2 feet from each other and at least 3-1/2 feet on both sides of the container from any parked vehicle or stationary object
- Your containers must be placed at the curb before 7:00 am on your scheduled collection day, but should not be put out before 4:00 pm on the day before, and must be taken in no later than 8:00 pm the day following collection
- **Single-stream Recycling** – plastics #1-7, glass, cardboard, paper, aluminum/steel cans and lids
- **Longmont Waste Diversion Center** – Located at 140 Martin Street, accepts all items collected at the curb plus motor/cooking oil, batteries, scrap metals, non-refrigerator appliances, food waste compost, plastic bags, tree branches, and leaves
- **Special Events** – Paper Shredding, Free Landfill Days, Hard-to-Recycle Events, Household Chemical Drop Days, Curbside Leaf Collection, Halloween Pumpkin Composting, Christmas Tree Recycling, and Spring Tree Branch Collection
- **Cardboard boxes** – Can be taken to the Waste Diversion Center and tossed into the cardboard recycling bin seven days a week

Curbside trash collection occurs weekly on your scheduled day of pickup. Recycling occurs every other week as scheduled for your neighborhood.

Monday – Saturday 7:30 am – 4:45 pm

Closed, Sundays & City-observed holidays

St. Vrain Creek

Wastewater Treatment Plant

Xeriscape garden

Water Service Center

Located at 1100 S. Sherman Street | 303-651-8376

Storm Drainage

The City's Storm Drainage System allows for efficient removal of storm water and snow melt from streets and properties. The Storm Drainage System does not include a treatment system. So, any litter, sediment or pollution on the ground has the potential of getting washed into the storm drain and into the river. Illegal discharges to the Storm Drainage System are a serious problem, so be sure to "keep it clean, 'cause we're all downstream."

Water Utility

Nearly 90,000 customers are served by the City's Water Utility. The Water Utility is responsible for acquiring and maintaining a portfolio of water rights; storage and treatment of raw water; storage and distribution of potable water; maintaining the City's water line system and chemical and biological testing to meet all applicable water quality standards. The City operates two water treatment plants, which have a combined capacity of 47 million gallons per day.

Wastewater Utility

Longmont has 328 miles of sewer lines to deliver wastewater to our Wastewater Treatment Plant. As part of the system, property owners (residential and commercial) are responsible to maintain their individual sewer service lines. A sewer service line is defined as the length of the pipe between the house/business and the sewer main, usually in the street, easement, or alley. To learn more about how to take care of your service line or trouble-shoot problems, visit us online.

All wastewater eventually ends up at our Wastewater Treatment Plant, which is currently rated to treat up to 17 million gallons per day (MGD). It incorporates primary, secondary and tertiary treatment processes to remove organic and inorganic constituents found in wastewater. Treated water is discharged to the St. Vrain Creek at an average daily flow of approximately 8.0 MGD.

Water Conservation

Several programs are offered throughout the year to help residents conserve water: Garden In-A-Box (sales start March 1st), Water-Wise Landscape Seminars (offered in April), Slow the Flow Sprinkler Inspections (conducted June – August), and Slow the Flow Indoor Inspections (conducted year-round).

Community & Neighborhood Resources

Located at 350 Kimbark Street | 303-651-8444

Longmont is proactively engaging the community in a partnership of problem solving to establish a sense of safety and self-reliance that results in more beautiful neighborhoods and enhances quality of life. Being a good neighbor is the best way to build neighborhoods with great quality-of-life benefits.

Community & Neighborhood Resources provides a variety of programs and services:

- Code enforcement services
- Cultural awareness and competency
- Landlord/tenant services
- Mediation and facilitation services
- Neighborhood programs/improvement grants
- Parking enforcement
- Resource referral and education

Find out how Community and Neighborhood Resources can help you and your neighborhood by calling 303-651-8444.

Code Enforcement | 303-651-8695

Please help us avoid the most common code violations and keep our neighborhoods great.

Common code violations:

- Weeds/overgrown vegetation
- Inoperable/unlicensed vehicles and/or parts
- Junk, trash and debris
- Outdoor storage
- Commercial/recreational equipment
- Parking on the lawn
- Graffiti
- Political and garage sale signs
- Snow removal – keep adjacent sidewalks free and clear of snow/ice no later than 24 hours after any snowfall
- Burning restrictions (when applicable)

Affordable Housing

Assists potential and current low/moderate-income homeowners with down payment assistance and home fix-up programs. Provides financing to nonprofits that offer housing or services to lower income residents.

Sandstone Ranch District Park

Autumn leaves, Longmont

City of Longmont Parks

Located at 7 S. Sunset Street | 303-651-8446

Neighborhood Parks

192 acres of parks provide close-to-home recreation activities with playgrounds, playing fields, sports courts, shelters, dog off-leash areas, and small wheels parks.

1. Affolter Park, Holly Ave. & S. Judson St.
2. Alta Park, 10th Ave. & Alta St.
3. Athletic Field Park, 1050 Kimbark St.
4. Blue Skies Park, 1520 Mountain Dr.
5. Carr Park, 21st Ave. & Gay St.
6. Collyer Park, Longs Peak Ave. & Collyer St.
7. Dawson Park, 1757 Harvard St.
8. Flanders Park, 2229 Breakwater Dr.
9. Hover Acres Park, 1361 Charles Dr.
10. Kanemoto Park, Missouri Ave. & S. Pratt Pkwy.
11. Kensington Park, 100 E. Longs Peak Ave.
12. Lanyon Park, 1900 Collyer St.
13. Left Hand Creek Park, 1800 Creekside Dr.
14. Loomiller Park, 11th Ave. & Sumner St.

15. Pratt Park, 1600 Ithaca Ct.
16. Price Park, Sunset St. & Longs Peak Ave.
17. Raber Park, 24th Ave. & Sunset St.
18. Rothrock Dell Park, 700 E. 5th Ave.
19. Rough & Ready Park, 301 E. 21st Ave.
20. Spangler Park, 200 Mountain View Ave.
21. Stephen Day Park, 1340 Deerwood Dr.
22. Sunset Park, 1900 Longs Peak Ave.
23. Thompson Park, 4th Ave. & Bross St.
24. Valley Park, 28 Troxell Ave.
25. Willow Farm Park, 901 S. Fordham St.

Community Parks

254 acres of parks serve the larger community, providing space for athletic complexes and major recreation facilities such as pools and recreation centers.

1. Clark Centennial Park, 1100 Lashley St.
2. Garden Acres Park, 2058 Spencer St.

3. Quail Campus, 310 Quail Rd.
4. Roosevelt Park, 700 Longs Peak Ave.
5. Sandstone Ranch, 3001 E. Hwy. 119 (east entry), 2525 E. Hwy. 119 (west entry)
6. Dry Creek Park, Grandview Meadows Dr. & Mountain Dr.

District Parks

1,654 acres of parks provide access to and enjoyment of important natural, historic and cultural resources. Design of these parks is intended to promote low impact, passive outdoor recreational opportunities that fit each area's unique, natural characteristics.

1. Golden Ponds, 3rd Ave. & Hover St.
2. Izaak Walton Park, 18 S. Sunset St.
3. Jim Hamm Nature Area, 1701 E. County Road 1
4. McCall Lake, Hwy. 66 northwest of Longmont
5. McIntosh Lake, Harwood St. & Lakeshore Dr.
6. Roger's Grove, 220 Hover St.
7. Sandstone Ranch, 3001 E. Hwy. 119
8. St. Vrain Greenway
9. Union Reservoir, 461 Weld County Road 26

Dog Parks

Two dog parks offer a combined 10 acres of area designated specifically for canine enjoyment. Other dog off-leash areas exist at Blue Skies, Rough & Ready and Stephen Day parks, as well as a dog beach at Union Reservoir.

1. Dog Park #1, 21st Ave. & Francis St.
2. Dog Park #2, Airport Rd. & St. Vrain Rd.

Greenways

For residents of Longmont and those in surrounding areas, a greenway serves as a sanctuary – an oasis from the noise and pace of everyday life. Weaving through parks and alongside rivers, creeks, ditches, and lakes, they protect neighboring wildlife areas while providing opportunities for both environmental and recreational activities. They also serve as maintenance access for storm drainage functions throughout our City.

Adopt-A-Park/ Friends of the Greenway

Longmont's Adopt-a-Park and Friends of the Greenway programs invite community assistance to help maintain and beautify our parks and greenways. Through the efforts of individuals and groups, our parks will continue to be widely enjoyed areas for residents and visitors alike.

Clean-Up, Green-Up

This fun-filled, annual event takes place throughout the month of April. Join with friends, family or co-workers to help spruce up for spring! Volunteers can pick a park, greenway, street, alley or open space to clean up, or an area can be assigned.

For more information on how to get involved in caring for our parks, call 303-651-8446.

Parks Throughout Longmont

Recreation Services

The City of Longmont Recreation Services offers a wide range of fitness and wellness programs including water fitness and aerobic classes, land fitness and aerobic classes, yoga classes, Taste of Therapy Wellness Fairs, personal training, and fitness assessments. Three year-round facilities are complemented by additional seasonal facilities.

Longmont Recreation Center 310 Quail Road | 303-774-4800

A one-stop recreation facility offering an indoor running track, weight room with free weights and selectorized machines, cardio equipment and aerobics room, multi-court gymnasium, climbing wall, classroom/party room and game room, lap pool, leisure pool with waterslides, lazy river, and interactive play features, café and babysitting, and steam and dry saunas and spa.

St. Vrain Memorial Building 700 Longs Peak Avenue | 303-651-8404
Featuring an indoor gymnasium with a sport court floor, the facility offers basketball, volleyball, in-line hockey, locker rooms, and a group fitness room. In addition, there is a weight room with treadmills, Lifecycles, elliptical, free weights, and circuit weights.

Centennial Pool 1201 Alpine Street | 303-651-8406

A year-round indoor pool with lap lanes, wading area, and deep end with two one-meter diving boards. In addition, there is a fitness room with treadmills, Lifecycles, elliptical machine, and new FreeMotion cable resistance weight machine.

Sunset Pool 1900 Longs Peak Avenue | 303-651-8300

A seasonal heated outdoor pool with lap lanes; wading area; plank, 1 meter and 3 meter diving boards; 2 super long and fast water slides; reserve-able outdoor shade structures and sandy beach play area. The bathhouse features indoor party room, family locker rooms, and concessions stand.

Roosevelt Activity Pool 903 8th Avenue | 303-774-4455

A seasonal heated outdoor pool geared to ages 8 and younger with a maximum depth of 2 foot 8 inches. Features zero-depth geysers, tumble buckets, water cannon and a spray garden.

Sandstone Ranch Visitors Center 3001 E. Highway 119 | 303-651-8404

A seasonal historic facility with hands-on displays on environmental features of the area. A nature trail features sandstone bluffs and includes a scenic overlook.

Longmont Ice Pavilion 725 8th Avenue | 303-774-4777

A seasonal outdoor facility featuring a single sheet of ice with daily open skate.

Golf Services

Located at 1200 Cornell Drive | 303-651-8592

The City of Longmont offers three distinctly different golf courses. Ute Creek is a Robert Trent Jones II championship course that features wide multi-level fairways, over 50 bunkers and an abundant natural rough. Twin Peaks is a traditional style layout with elevated greens and water hazards on seven holes. Sunset is a challenging nine-hole course with narrow tree-lined fairways and small greens, a design typical of courses built in the early 1900s. All three courses have full service pro shops staffed by PGA Golf Professionals. Longmont's courses have golf lesson programs for players of all ages and abilities and a variety of company outing packages. Tee times may be reserved online 10 days in advance.

Sunset Golf Course

1900 Longs Peak Avenue | 303-651-8466

Located in historic old Longmont, Sunset is one of the most scenic nine-hole courses in Colorado. A Colorado golf publication rated Sunset the best nine-hole course in the state. Sunset is known for its superb conditioning, tree-lined fairways and spectacular views of Longs Peak.

Twin Peaks Golf Course

1200 Cornell Drive | 303-651-8401

Twin Peaks is a Frank Hummel designed course. Twin Peaks is a traditional style championship course that features elevated greens and water hazards on seven holes. This par 70 layout is a favorite of area players because it is challenging and enjoyable for players of all ages and abilities.

Ute Creek Golf Course

2000 Ute Creek Drive | 303-774-4342

Designed by the world-renowned golf course architect Robert Trent Jones II Group, this 18-hole championship course is a par 72 ranging in length from 5,509 to 7,167 yards. Ute Creek is one of only eight Robert Trent Jones II courses in Colorado and the only one on the northern Front Range.

Ute Creek's unique features offer challenge and interest for players of all abilities. Five lakes, two streams and a generous natural rough provide an abundant wildlife habitat. Wide multi-level fairways lead to RTJ II's signature greens. Five par 3 and five par 5 holes with three of each on the back nine make Ute Creek's design unlike any other course in the area.

Development Services Center

Located at 385 Kimbark Street | 303-651-8330

- **Planning & Development Services** – for current development projects, zoning and land use information, land development code, and transportation planning
- **Public Works/Engineering** – provides management, supervision, and financial control to the following areas: Street Construction, Transportation Engineering and Maintenance, Parks and Trails Development, Water and Wastewater Utilities Engineering, and Storm Drainage Engineering
- **Building Inspection** – provides and oversees information regarding the building and permitting process in the City of Longmont
- **Economic Development** – creates partnerships and fosters opportunities to promote Longmont's economic vitality. Engages the community in building a sustainable economy, creating livable neighborhoods and preserving the built and natural environments to maintain and enhance our quality of life

Building Permits

The permit process ensures that minimum safety standards are met and that construction meets local building and zoning requirements. Make sure you understand the building codes and local ordinances before proceeding with any improvement project. If you have questions, contact the Building Inspection Division, 385 Kimbark Street, 303-651-8332.

A building permit is required any time there is new construction of or addition, alteration, repair or demolition to the main structure or accessory buildings on a lot or parcel. Included also are accessory buildings such as detached garages.

New Building: dwellings, garages, detached storage sheds (120+ sq ft), carports, all commercial buildings, etc.

Additions: buildings, swimming pools, patios, sunrooms, decks

Alterations: re-roofing, drywall, insulating, converting a garage or sunroom to living space, basement finishing, re-siding, retaining walls over 48 inches, fences, etc.

Appliances: fireplace or gas log installation, air conditioners and swamp coolers, hot tubs, water heaters etc

Any Repairs Involving Structural Members

If police and fire had to reach you in an emergency, could we?

Anyone living within Longmont city limits who no longer has a landline in their home and wants to receive police and fire emergency notifications (known as reverse 9-1-1) must register.

If you own additional communication devices, ie., cell phones, VoIP (voice over Internet protocol), email, etc., you will also want to sign up for this service as it provides a number of additional ways in which emergency information can be disseminated quickly.

You can register online on the public safety homepage or call 303-651-8566.

If we can't reach you, we can't alert you.
